Police - Fire Services Branch - South
Kanara dt. - Mangalore - Construction
of a Kitchen etc. - Proposal - Negat

POLICE DEPARTMENT
FIRE SERVICE BRANCH

From
Sri A.J. Sanjevi, M.A., I.P.,
Inspector General of Police,
Fire Service Branch,
Mangalore, Madras....8.

.....
No. 14067/L.1/50.

Secretary to Government,
Home Department,
Fort St. George,
Madras.

.....
Dated 16th July 1951.

Sir,

Sub: Police - Fire Service Branch - South Kanara District -
Mangalore - Construction of a kitchen, a well and
latrine etc. - Estimates forwarded - Approval -
Requested -

133035
25.8.51

It is reported that the Sub Officer, Mangalore has not yet occupied the quarters constructed by the Public Works Department, since a kitchen and store-room has not been provided. The Deputy Inspector General of Police, Western Range who inspected the Mangalore Section on 30-3-1950 has reported that construction of a kitchen and store-room for Sub Officer and a well in the Fire Station compound and separate urinals for the Sub Officer and personnel are absolutely essential. The District Superintendent of Police, South Kanara has now obtained and forwarded estimates from the Public Works Department for the above works as detailed below:-

(1) Construction of kitchen and Store-room for Sub Officer.	1,750/-
(2) Construction of latrine for Sub Officer.	720/-
(3) Construction of latrine for personnel.	570/-
(4) Construction of a well in the Fire Station.	6,300/-
Total	11,340/-

The estimates are enclosed herewith duly countersigned by me and the reports accompanying them explain the details and necessity of the works proposed.

I agree with the Deputy Inspector General of Police that the execution of the above works during the current year is absolutely essential. In this connexion, I invite a reference to my letter No. 10535/A.1/50-11, dated 7-7-1951 wherein I have addressed the Government to authorise the execution of the works relating to the construction of kitchen and store-room for the Sub Officer and a well at Mangalore. During this year since they have not been included in the printed Civil Works Budget. I am still awaiting the report of the Chief Engineer mentioned in para three of my letter under reference and on receipt of the Chief Engineer's report Government will be addressed regarding the enhancement of the budget limit.

In the above circumstances, I request that the Government

P.T.O

may be pleased to sanction an expenditure of Rs. 11,940/- on the execution of the works detailed above and authorise the Chief Engineer (buildings) to take them up during the current year itself.

Early orders of Government are requested.

Re.No. 14067/B1/50. Dated 22nd November 1951.

Sir,

Sub: Police -- Fire Service Branch - South Kanara
District - Mangalore - Construction of a kitchen
etc. - Proposals.

Ref: Government Memo.No. 133035/Police.IV/51-3,
Home, dated 9-11-1951.

I have to state that the Sub Officers in charge of Mangalore Fire Station were either staying in private rented buildings and claiming house rent allowance or were accommodating themselves in the station rest-room, when not with their families, always experiencing very great inconvenience for want of suitable residential quarters. No private building was taken on lease by this Department to accommodate the Sub Officers ever since 1945.

For Inspector-General of Police,
Fire Service Branch, Madras.

FINANCE DEP

Finance(Exp.C.)Department.

In G.O.Ms.No.386 P.W. dated 9.2.1945, the Government sanctioned an estimate for Rs.27,000/- for the construction of a permanent Fire Station and quarters for sub-Officer at Mangalore. It is stated that, in the estimate sanctioned above, provision for kitchen and store-room for the sub-officer was not contemplated. The I.G. of Police, Fire Service Branch has now submitted an estimate amounting to Rs.11,940 for the following items of works for the approval of the Government, as they are considered absolutely essential.

1. Construction of kitchen and store room	Rs. 3,750
2. Construction of latrine for sub-officer	720
3. Construction of latrine for personnel	670
4. Construction of well in the Fire station	6,800
Total	11,940

Home support the proposal. P.W. agree, ~~to the proposal~~.

^{of the State} It is submitted that the over-all financial position is very difficult. In view of this, it was recently decided by the Cabinet that no new scheme of expenditure not provided for in the budget should be taken up for introduction in the course of the year. This Department may therefore advise against ^{any} expenditure being sanctioned in the current year. However, this Department need not object to the proposal being brought forward for consideration as a Part II Scheme for 1952-53, as

^{the terms referred to seem to be}
^{22.11.51} necessary adjuncts to a Fire Station

It may be noted in this connection that the quarters which were ordered to be constructed in 1945 along with the buildings for the permanent Fire Station and which were presumably completed in the same year or the next year, still remain unoccupied by the Sub-officer for want of kitchen, store room etc. The omission to provide these adjuncts seems to have been noticed by the D.I. of Police in March 1950 and brought to the notice of the Govt in July 1951. ~~It is not stated what arrangements were made during all these years, Govt has been probably been paying rent to provide residential~~

accommodation to the sub-officer and ~~if any~~ ^{paid for a lease} the amount of rent was ~~if any, paid by the sub-officer on his account~~ ^{was clearly unnecessary and} private building, such ~~of rents~~ have been avoided, had the omission been ~~detected~~ ^{promptly} in 1945 or 1946 itself and the necessary additions made to the quarters then so as to render them fit for occupation immediately on completion. Home may call for a full report on the above points

HOME (POLICE IV) DEPARTMENT.

This file relates ^{to} ~~the~~ the proposal of the I.G. of Police that an expenditure of Rs.11,940/- may be sanctioned on the construction of a kitchen etc. as detailed at 'M' on p.1 c.f. at Mangalore. In G.O.Ms.No.386, P.W.D., dated 9.2.1945 the Govt. sanctioned an estimate for Rs.27,000/- for the construction of a permanent Fire Station and Quarters for Sub Officer// at Mangalore. It is stated that in the estimates sanctioned above, provision was not made, for kitchen and Store room for the sub officer. The I.G. has now submitted for the approval of the Govt. an estimate for Rs.11,940/- for the construction of the said kitchen etc. The I.G. wants the work to be undertaken in the current year. It has been considered by this Dept. that the I.G.'s proposal may be accepted. The P.W. Dept. ^{have} agreed with this Dept. and they have stated that orders may be obtained in circulation including those of H.M. (P.I.) The Fin. Dept. have advised against the proposal in view of the present financial stringency of the Govt. but they have however stated that the proposal may be brought forward for consideration as a Part II Scheme. It may be noted that the construction of the kitchen, store room etc. is very urgent and the I.G. wants the work to be taken up during the current year. For orders whether the I.G.'s proposal may be treated as a Part II scheme for 1952-53

2. With reference to 'A' on p.4 ante a draft memo to the I.G. of Police, F.S. Branch is submitted for approval.

May be treated as a Part-II scheme for the reasons given by I.G., though it is urgent & it is desirable to complete the work in the current year.

May mine
